

Javarri Barnett

Entry Level Full Stack Developer

Cary, North Carolina 27513 | **Phone:** 919•592•4489 | **Email:** javarrisb@gmail.com
LinkedIn: [linkedin.com/in/jbbarnett](https://www.linkedin.com/in/jbbarnett) | **GitHub:** <https://github.com/javarrisb> |
Portfolio: <https://javarrisb.github.io/portfolio-REACTION/>

Entry level Full Stack Web Developer, recently acquiring a certificate in full stack web development from UNC Coding Bootcamp. My voracious energy to learn new and existing technologies, a “do-whatever-it-takes” mindset to get the job done regardless of the obstacles, and a commitment to my team members to provide quality work in a professional manner is what makes the difference in achieving the goal.

Skills

HTML | CSS | Git | JavaScript | jQuery
Node.js | Express.js | MySQL | OOP | NoSQL
React | MongoDB | GraphQL | MERN

Projects

Travel Buddy | GitHub: <https://github.com/javarrisb/Travel-Buddy> | **Deployed:** <https://khaoulaja.github.io/Travel-Buddy/>

- Travel Buddy’s purpose is to bring peace of mind to a new or even experienced traveler that wants to explore different areas of the world
- My responsibility and contribution to Travel Buddy was using my front-end JavaScript skills as well as jQuery to enhance user experience of the svg Map as well as user interaction functionality with other components of the web page
- Technologies: HTML, CSS, jQuery, REST APIs

Game Corner | GitHub: <https://github.com/javarrisb/game-corner> | **Deployed:** <https://afternoon-reef-79835.herokuapp.com/>

- Game Corner allows users to keep track of their collection of board games and also create a list of games they love, hate and would want to buy in the future
- My contribution to Game Corner was using Sequelize to turn on connection to the MySQL database and having it sync with the server to run using Express.js and Node.js
- Technologies: Node.js, Express.js, MySQL, Sequelize ORM, Bcrypt, Bootstrap

Experience

G2 Secure Staff | Certified Cargo Screener, Administrative Assistant | Raleigh, North Carolina | 06/2018- 09/2021

- Organized and imputed all the screened freight of a flight into the computer system
- Listening and problem solving skills within a team environment
- Interpersonal communication skills and expert customer service

Education

Certificate in Full Stack Web Development: UNC Chapel Hill, North Carolina
Bachelor’s Degree: UNC Charlotte, Charlotte, North Carolina
